## Understand the difference Aflac can make in your financial security.

For more than 60 years, Aflac has been dedicated to helping provide individuals and families peace of mind and financial security when they've needed it most. Our term life insurance policies are just another way to help make sure you're well protected.

### How we can help

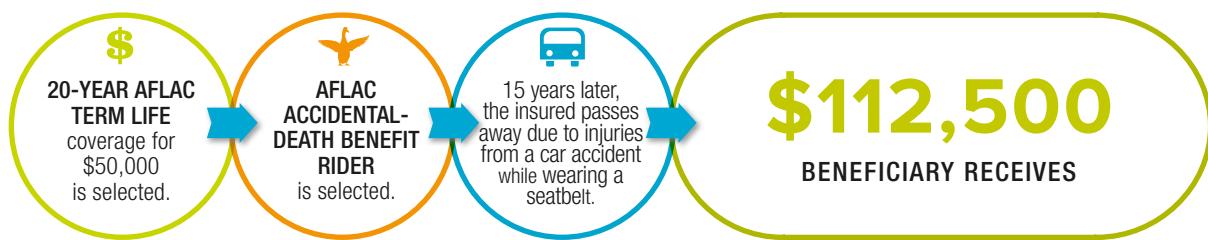

No one likes to think he or she needs life insurance. But when people depend on you, assuring their financial futures with life insurance benefits is simply the right thing to do.

- **Premiums are guaranteed for the selected term option** – You will know how much your coverage will cost from month to month and year to year.
- **Portable** – You can take the plan with you if you change jobs or retire.
- **Payroll deduction** – Your premiums can be deducted from your paycheck.

### Why choose Term Life insurance?

- **Higher face amount** – Term life insurance offers the most face amount coverage for the lowest cost.
- **Lower premiums** – Depending on your age and smoking status, term life premiums may be lower than those for whole life insurance policies.
- **Flexible coverage** – Provides protection for a specified time period or term—10, 20, or 30 years—and is designed for temporary circumstances. Term coverage often is purchased by those who need coverage for a specific time period, such as while they have young children, children in college, or are carrying a large debt load.
- **Policy renewal** – If, at the end of your 20-year or 30-year term, your policy has not lapsed and is still in force, you will have the option to renew your policy on an annual basis.

### How it works

The above example is based on a scenario for 20-year term life insurance that includes the following benefit conditions: \$50,000 death benefit, \$50,000 accidental death benefit, and \$12,500 seatbelt benefit.

This is a brief product overview only. Coverage may not be available in all states. Benefits/premium rates may vary based on coverage selected. Optional riders are available at an additional cost. The policy has limitations and exclusions that may affect benefits payable. Refer to the policy for complete details, limitations, and exclusions. The policy prevails if interpretation of this material varies.

### WHAT IS COVERED?

#### ACCELERATED DEATH PAYMENT – PRIMARY INSURED ONLY

Aflac will pay 50 percent of the face amount selected if the named insured is diagnosed with a terminal condition. The payment can help you and your loved ones with the expenses of a terminal condition (such as home nursing care, special equipment, and hospitalization). This benefit will be paid only once.

Any Accelerated Death Payment will automatically establish a lien against the policy. Aflac shall hold the lien as a debt against the death benefit and policy benefits. Any Accelerated Death payment amount requested will be reduced by the amount of any due and unpaid premiums, and the administrative charge.

#### CONVERSION

You may convert the policy while it is in force to an individual permanent life policy without evidence of insurability, subject to policy requirements. The conversion privilege in the term policies must be exercised the earlier of the end of the term period, or on or before the policy anniversary date following your 65th birthday. Refer to the exact policy for complete details.
